that was tabled for the Chapter to donate \$500.00 to "Wreaths Across America," and called on Richard to explain the motion again. Richard explained that "Wreaths Across America" was a non-profit organization, and that the funds would be used to purchase wreaths for the Louisiana Southeast Veterans Cemetery that opened in Slidell last July. Richard said that wreaths cost \$15.00 and that 177 veterans had been interred in the cemetery since it opened. He further explained that donations had to be turned in by 1 December and that if more donations were made than required for the number of veterans interred before Christmas that the money would be held until next year. Chip opened discussion and one of the members asked if a wreath would be placed on every grave. Richard said yes. Judy Anderson said that she did not believe the Chapter should make a donation if it could not purchase Christmas gifts for at least one child and that members should make personal donations. Carol Dussel said that since veterans gave their lives for us that we owed them, and that we should make the donation. Other members commented positively as well, and someone suggested Richard made the motion again. He did, and Carol Dussel seconded the motion which was passed unanimously.

**Christmas Party Committee:** Ray Gregg, the committee chairman reminded the Chapter that the party would be held at the Sunrise Bistro on 13 December, and that tickets cost \$15.00 for both members and their guests. He explained the theme this year is "south of the border," and that the committee needed volunteers, both men and women, to perform a dance routine for entertainment. He completed his report by reminding the Chapter we are obligated to pay for forty (40) meals and that only seven (7) members had purchased tickets to date. He asked that everyone purchase their tickets as soon as possible so we would know how many people are coming.

Since he had the floor, Ray proposed the Chapter purchase a new notebook PC. He explained the current PC runs on Microsoft XP and that the new version of Quickbooks the Chapter planned to use to manage finances would not run on XP. After discussing the matter, one of the members made a motion to purchase a new computer, not to exceed \$500. Richard Dillon seconded the motion which was unanimously approved.

**Membership Officer:** Frank Lay announced the birthdays for the month and advised advised that we don't have any new members to report.

**Head Road Captain:** Simon Gonzales asked if anyone was interested in being a road caption to let him know. He then announced that the after meeting ride would be to Blue Hickory BBQ in Covington and that we'd be leaving about 15 minutes after the meeting.

**Editor:** Richard Dillon reminded everyone that if they have any input for the newsletter to email it to him by the 15<sup>th</sup> and to provide him the full names of everyone in any pictures from the left to the right.

**Acting Activities Director:** Richard Dillon asked the Chapter to let him know if they had anywhere specific they'd like to ride for lunch following the monthly meetings to let him know so he could add it to next year's event schedule.

**Webmaster / Photographer:** Karl Fox said that if anyone had any photographs they'd like posted on the website or published in the newsletter to email them to him.

**Ladies of Harley (LOH):** Sonia Fox advised the LOH ride this month would be on the 15th at Titacos Mexican Restaurant. Leaving from Bruno's around 10 a. m.

**Safety Officer:** Russ Davis briefed the Chapter on safety issues to be concerned with due to the weather changes. He specifically mentioned taking time to check your tires and the difference handling and controlling your motorcycle is when wearing winter cloths.

## Mad Santa Gift Exchange

If you plan on attending the Northshore HOG Christmas Party and want to participate in the gift exchange, please do the following:

If you are a female attendee, bring a wrapped gift appropriate for a female. Male attendees should bring a wrapped gift appropriate for a male recipient. Please mark your gifts with the appropriate designation "male" or "female."

As each gift is received, a numbered ticket will be provided to the gift giver. When it comes time for the gifts to be distributed, corresponding tickets will be drawn at random. The holder of the first numbered ticket drawn will pick a gift from the male or female gift pool (depending on the gender of the ticket holder), unwrap it and display it for all to see what the gift is. Thereafter, the second ticket will be drawn. The holder of that ticket number will have the option of taking the first gift holder's prize or selecting an unwrapped gift from the pool for his/her gender. After the recipient of this gift displays his or her prize, another ticket will be drawn and the corresponding ticket holder will have the option of taking either of the first two gifts or selecting a wrapped gift. This process will continue with the options of selecting a wrapped gift or an unwrapped gift. However, **the third possessor of any gift gets to keep it.**

This exchange will be a lot of fun. However, it is important that each participant bring a wrapped gift marked "male" or "female" corresponding to the attendee's gender.

The gift value should be in the \$15 - \$20 range. The only rule is that you provide a gift you would enjoy receiving.

# Three-Dog Night Concert

*By: Ray Gregg*

Three Dog Night.....what more do you have to say. For many of us in the chapter, this group brings flashbacks (great memories) from decades ago. When Ward announced the upcoming concert, a group of chapter members including

*Pictured above are: Sonia Fox, Ward and Robin Blakeman, Rick and Val Dillon, Sybil & Johnny Pons, Ray & Laura Gregg, and Vick & Sonia Vicknair. Picture by Karl Fox*

Sonia Fox, Ward & Robin Blakeman, Rick & Val Dillon, Sybil & Johnny Pons, Ray & Laura Gregg, and Vick & Sonia Vicknair, pictured above, and Dwight & Britta, not pictured, decided to attend. With the exception of Dwight and Britta, who drove separately, we all met in Lacombe Saturday, 1 November 2014, for the ride over; six bikes, a trike, and a four wheeler. After fueling up for the trip, we headed west on I-12 and then across the causeway. We stopped at "That's Amore" in Metairie for lunch where we dined on pizza and other Italian treats. After a filling meal we heading west on I-10 to I-310, and then down US 90 through Des Allemonds, Raceland, and Morgan City to Franklin, where we stayed in the Quality Motel, just a few miles from the Cypress Bayou Casino where the concert was to be held.

The ride down was fairly cool, and since the temperature had dropped, we decided we'd all "pile" into the four wheelers for our ride to the casino. We managed to pack fourteen people into two vehicles; a suburban and a small sedan. There were people on top of others and some on the floor, but we made it in relative comfort. After one wrong turn we managed to find the casino located in Charenton, Louisiana, made our way through the crowds and smoky gambling areas and to our seats minutes before the concert.

The group came out blasting and did not stop for over an hour. All of the old songs and several of their new songs made the

crowd yell and scream and got many off their seats and were dancing in the aisles. For some of you too young to remember, this group started 47 years ago and had 15 albums in their hey day. Three of the original members (in their 70's now, still perform). Pretty remarkable! Once the band stopped and thanked the audience they left the stage, but like so many concerts, the crowds kept on clapping and yelling and the group returned to play a few encores. The final encore was, as they put it, the "Frog" song. If you don't know what that means, ask one of the older members of the chapter.

Back into the vehicles, and back to the motel. As it was still fairly early in the evening, all decided to hop across the street and have desert or other snacks at the local McDonalds. In doing so, our impromptu road crossing guard, Sybil, did an outstanding job of stopping the traffic, but ask her about who she stopped!!

Back to the motel and after a brief discussion, it was decided to sleep in a little before the ride home. The next morning, after a light breakfast, all packed up and headed out, many needed to head directly home as other commitments required their early arrival. A few of us (Karl, Sonia, Richard, Valeria, Lara and I), decided to extend our day and stopped at Mendendorfs in Manchac. The Sunday crowd demanded a small wait but before long we were sitting and enjoying the meal and telling tall tales. Then it was off to the Hammond Harley Shop to see what we could spend our money on. We actually managed to leave without spending a dime. Heading toward the house we spit with Karl and Sonia at Covington and headed north.

Our discussions over the weekend came to the conclusion that events like what we just experienced have to be repeated more often. Being with friends, talking, joking is what it is all about and creates fond memories. Hope to see many of y'all on our next escapade.

# Chapter Members Attend Florida State Rally

Several members of the Northshore Chapter planned for months to attend the Florida State HOG Rally, and when the time came to head out, the cool front had come in making the weather perfect for the entire five days. On Wednesday the 22<sup>nd</sup> of October, Simon, Charlene, Lara and I met at Bruno's for the trip to Fort Walton Beach. Taking our time, we left that morning, had a quick lunch at 'Tillman's Corner' and arrived at the rally site in time to register for the weekend. After unpacking, we perused the Rally Handout and found that "AJ's," in Destin, was one of the rally sponsors, so off we went. "AJ's" is a beachside restaurant and bar that caters to bikers, and this particular weekend, to HOG members as the "Harley Motorcycles Only" parking sign displayed. Raw oysters and beer was the meal that evening, and whereas the oysters were good, they can never compare to Louisiana oysters.

The next morning, we signed up for one of the guided rides that took us along the beaches and then up and into the pine forests. Even leaving at 10 in the morning still required sleeves as the temperature had dipped into the 50's that night. After traveling east of Hwy 98, we branched off onto Hwy 30 and rode past numerous condos and beach-side homes, stopping at one of the many public accesses to the beach. A group picture was taken and then it was off to find a place to eat. The planned stop was at "Nicks" on Hwy 20 just west of Freeport. We weren't happy about this place. After messing up the orders, when the meals finally came, there wasn't enough food on our plates to feed a child. My shrimp sandwich only had four, yes four, shrimp total. And Simon's shrimp and fish plate only had four shrimp and about 3 ounces of fish. The plate wasn't even half filled. When it was time to leave we did not receive our bill in a timely manner, which caused the group to wait for us for over fifteen minutes. I am sure some was angry, but it wasn't our fault, and I wasn't apologizing. On the way back we all stopped at the Harley shop in Fort Walton. Money was spent and then we headed back to the hotel.

That evening the rest of our Northshore group showed up, including Karl, Sonia, John and Frank. We also met up with the Andersons. Not the Bill and Judy we know, but another couple from Alabama. He too is named William. For a good story, ask our Bill about the total mix up of orders from Mike Bruno's concerning the two Andersons.....it is quite amusing. The Andersons (Will and Loretta) remained with us the entire weekend, and we

*Pictured above are: Loretta & Bill Anderson, Charlene & Simon Gonzales, Frank Lay, Laura & Ray Gregg, Sonia Fox, and John Clifford. Picture by Karl Fox*

enjoyed their company immensely. We dined at "The Swamp" for the evening meal, and although the seafood was still not up to Louisiana standards, the meal was 100% better than our lunch, so we walked out feeling content and satisfied. A discussion of the next day's events concluded that we would hit the Fort Walton Beach Harley shop then have a nice comfortable back-road ride to "Red Bay Groceries" (Hwy 81 south of Ponce de Leon). John, Karl, and Sonia had visited this small restaurant before but arrived too early to partake of the good home-cooked food. This time we arrived just in time for lunch, and all of us tried the different lunch specials. The food was great, and rightfully so, as we learned the cook was from Louisiana (go figure). If you're ever in the area, "Red Bay Groceries" is definitely worth a stop. After returning to the hotel that afternoon, many of us rested for a couple of hours before walking over to the "Crab Trap," another Florida HOG Rally sponsor. This time I was overwhelmed by the amount of food they put on my plate. Everyone else also seemed to be very satisfied with their meal choice. Lara and I were feeling a little tired so we returned to our room while the others continued the evening at another bar, within walking distance of the hotel.

Saturday started with breakfast at "Joe and Eddie's," a well known eatery that many make sure not to miss when they're in the area. Then it was off to Panama City via the beach roads again. Enroute we found a nice coffee shop (next to an arts and crafts festival) in Seagrove Florida, where the ladies got a little frisky and started dancing in the street (we have pictures). From there, we headed to the Panama City Harley Davidson shop. What a shop!

# Florida State Rally (Continued)

Aside from the usual coffee and popcorn, this place had gourmet coffee, a soda fountain, and a pool table to entertain customers while their bikes were being worked on. Nice!!!! It was around noon, and Karl suggested we eat at the "Hofbrau Beer Gardens" for lunch, and we all had schnitzel, bratwurst, and beer (only a glass or two). We were serenaded by a young lady on an accordion playing "drinking songs." The singing and food made me have flashbacks of my years in Germany.

Since the closing ceremony and closing party was that evening, we headed back to grab a little rest before heading to the festivities. The ceremony was like any other HOG rally, with thanks and prizes presented to the rally committee members. THEN, it was "Mustang Sally!!!!" A great performance by a great band. Tobi Lee, the lead singer, was fantastic. She sang, joked, and talked to the audience all night. Her energy was unbelievable! I remember a music magazine characterizing her as: "about as calm as a twister in a trailer park." She kept the crowd going all night, and again, it was a great performance . . . . . no one was disappointed. I think we made it home by midnight.

Sunday . . . . . dragging a bit, we all met at the hotel to say our goodbyes. John, Frank, Simon and Charlene had commitments so they headed home without breakfast. Karl, Sonia, Will, Loretta (the Andersons), Lara and I had one more breakfast at "Joe and Eddie's," then drove to

we must return to give the museum its due. The displays are broken down into the different World Wars, Korea, Vietnam and so on and would take at least two full days to give them justice.

About forty miles to the west, the four of us stopped at "Lamberts Café" in Foley, AL. Aside from the outstanding rolls (that they throw to you) the food was great, plenty and was backed up with what they call "Pass arounds;" servers come around with pots containing black eye peas, German fried potatoes, and other sides. You can ask for as many helpings as you want. There is no way you could leave hungry from this place. Full and content, we hopped on our bikes (trike) and made for the house. It was a full day for Lara and I, arriving in Bogalusa after 8:00 p. m. It was an end to a great weekend and I am sure all of us had a wonderful time. Just ask us!

The undersigned (on my own behalf and on behalf of my heirs, personal representatives, successors and assigns), for and in consideration of the opportunity to participate in a "Ride," "Poker Run," "Rally," "Field Meet" or "Activity" (hereinafter, **EVENT(S)**) sponsored and/or conducted by Harley-Davidson, Inc., Harley-Davidson Motor Company, the Harley Owners Group, authorized Harley-Davidson dealer(s) and/or local H.O.G. chartered chapter(s) and their respective officers, directors, employees and agents (hereinafter, the "**RELEASED PARTIES**") releases and holds harmless the "**RELEASED PARTIES**" from any and all claims and demands, rights and causes of action of any kind whatsoever which I now have or later may have against the "**RELEASED PARTIES**" in any way resulting from, arising out of, or in connection with the performance of their chapter duties and my participation in any said **EVENT(S)**.

This Release extends to any and all claims I have or later may have against the "**RELEASED PARTIES**" resulting from or arising out of their performance of their chapter duties whether or not such claims result from negligence (except willful neglect) on the part of any or all of the "**RELEASED PARTIES**" with respect to the **EVENT(S)** or with respect to the conditions, qualifications, instructions, rules or procedures under which the **EVENT(S)** are conducted or from any other cause. I am experienced in and familiar with the operation of motorcycles and fully understand the risks and dangers inherent in motorcycling. I am voluntarily participating in the **EVENT(S)** and I expressly agree to assume the entire risk of any accidents or personal injury, including death, which I might sustain to my person and property as a result of my participation in the events, and any negligence (except willful neglect) on the part of any or all of the "**RELEASED PARTIES**" in performing their chapter duties.

WAIVER OF RIGHTS UNDER STATE STATUTES

I further agree to waive all benefits flowing from any state statute which would negate or limit the scope of this release and Indemnification Agreement, including but not limited to Section 1542 of the California Civil Code which provides:

"A general release does not extend to the claims which the creditor does not know or suspect to exist in his favor at the time of executing this release, which if known to him must have materially affected his settlement with the debtor."

By signing this Release, I certify that I have read this Release and fully understand it and that I am not relying on any statements or representations made by the "**RELEASED PARTIES**."
