HAPPY BIRTHDAY

Harley Davidson turns 120 years old, and Harley Owners Group turns 40. H.O.G. has a number of great tours and rallies planned for this very special year. Check it out at hog.com. In fact, the Homecoming Rally, July 13-16, 2023, will celebrating both the motor company and H.O.G.'s birthday. So, join our HOG Chapter and make plans of joining us for a wonderful adventure.

It's all about riding and have fun!!!!!

Monthly Chapter Meetings

Our monthly meetings are generally held on the first Saturday of each month and begin at 9:30 AM at the dealership. After each meeting we ride, eat and have fun!
